Picking Up Your Child

Pick up for all programs (Finale and Finale Encore) will take place at our designated pick up location. A family number will be given to those individuals designated on the after school registration form and will need to use this number to electronically sign out their child(ren) using the Kid Kiosk system. Please be prepared to show ID to ensure the safe release of all children.

Finale After School and Finale Encore will run until 6pm each day we are in session. Encore will run until 5pm on specific days.

Please note: Any child in attendance after 6pm will be charged a \$1/minute fee per child. This fee will be paid directly to the staff (cash or check) that stayed with that child. Habitual lateness may result in an increase in the \$1.00/min/child late fee payment and/or expulsion from the After School Program.

Discipline and Conduct

We understand that children are tired after a long day of school, but the same courtesy and respect practiced

throughout the day should remain consistent in the After School Program. Kidventure's disciplinary action is a three-strike system, which is age appropriate.

1. Warning
2. Consequence (Time out-1 minute per age, sit out of activity, etc.)
3. Call Home

We work closely with Oak Forest and the principle on needed discipline and conduct issues.

If the child is consistently having disciplinary issues, suspension or expulsion from the program may be necessary. Certain offenses including but not limited to: fighting, using vulgar language and/or demeaning any other child or adult, running away or posing a threat to himself or anyone else, may result in immediate suspension or expulsion from the program. *If a child will be suspended or expelled from the program, the Program Coordinator will always be in contact with the parents and/or principal in deciding the appropriate consequence, but it is ultimately up to the Program Coordinators discretion.

Parent Visitation

Parents are welcome to visit the Finale After School Program at any time during normal hours without prior notice or approval to observe their child, observe the operation and/or program activities. However, if parents would like to participate in program activities, you must coordinate with the Kidventure Office or the Site Director before participating.
